

Dear Families:

We are trying to strengthen our commitment to family involvement in our school and carry out the mission of our School Improvement Plan, with a particular emphasis on our families who have children in our Exceptional Student Education Program (Special Education). We'd like to offer more family-related social activities, volunteer activities, educational programs, and extra curricular programs. Please take a moment share your interests and priorities for family involvement in your child's school by completing this brief survey. This will help us provide you with more options for becoming involved with your child's school and valuable education.
